

## Mid America Regional Lily Society

Minutes of April 19, 2013

MARLS Meeting

By Jean Winterowd

### **Minutes of April 19, 2013 Meeting**

Don Kelley called the meeting to order at the packing party for our bulb sale at Missouri Botanical Garden.

Audrey Ringhausen gave a financial report, about a \$4,944.98 C/D coming due in June. It was voted to renew the C/D with \$4,000 and putting the \$944.98 in our checking account.

Fred Winterowd presented a diagram of the proposed planting at the Jewel Box. A meeting was held at the Jewel Box with Tina Rein, a Horticulturist for the Jewel Box and Anna Weil, head of the Volunteers for Forest Park with MARLS members, Pam Hardy, Marti Warhurst, and Fred and Jean. They will prepare the bed for planting. We will provide the bulbs and companion plants, and help with the planting of the beds. The volunteers work in the Jewel Box area once a week. And members will check on the plantings as often as possible. A discussion was held about the plants and lilies needed for the beds, and what companion plants are needed for the beds. We decided to table a vote till the Show meeting and notify the Jewel Box by the September deadline.

Respectfully submitted,

Jean Winterowd
