7 members of the Lily Society came to The Jewel Box to help plant the lilies and lily bulbs. Fred and Jean Winterowd, Don Kelley, Pam Hardy, Bob and Mary Lou Snider, and Marti Warhurst, who came all the way from St. Clair.

There were 6 volunteers from Forest Park, who also helped. Tina Rein, Coordinator of park plantings and Supervisor, Annabeth Weil, founder of Flora Conservancy, and 4 others were there.

They had the ground prepared for us and ready to go. We also put up our sign. We have rows of Scheherazade, Royal Sunset, Conca d 'or, and Crimson Pixie with Daffodils scattered around.

There was a short discussion about the upkeep of the lilies. We want to check on them every so often. The committee will maintain liaison.

Our next meeting will be in January. We should have dates by then for our Educational Meeting, Spring Bulb Sale and our Lily Show.

Respectfully submitted,
Mary Lou Snider
