## Instructions

Members of the Mid America Regional Lily Society and others can pre-order bulbs before the annual MARLS sale.

Photos of lilies being offered can be viewed on our web site, [www.marls.org](http://www.marls.org), and additional order forms downloaded.

Using this order form, please fill in the quantity and cost of each variety of bulbs you would like to order. Write in the grand total cost at the end. Also, provide your name and contact information below.

Send your form with an enclosed check for the grand total cost, plus 7 percent for shipping if you don't plan to pick up your bulbs at the sale. If you live in the St. Louis area, we can try to work out a separate pick up.

Make your check payable to MARLS.  
Mail your order form and check to:

Pam Hardy  
19 Gast Place  
St. Louis, MO 63147

Orders will be filled as they're received. Members who work the sale will get their usual discount. If you are interested in bulbs from The Lily Nook, The Lily Garden or B & D Lilies not listed, we can probably arrange it. No substitutions without Pam's approval. USA only. **Order forms must be received by March 26.**

If you have any questions, email Pam at [msp Hardy@att.net](mailto:msp Hardy@att.net) or call 314-853-4386 (cell phone), preferably evenings or weekends.
